

JOB POSTING

Position: Winter Lighting Intern
Department: Production/Lighting
Reports to: Lighting and Video Director
Status: Non-paid, Average of 12-40 hours per week (varies/flexible)
Dates: December 28, 2018 (flexible) to April 21, 2019

The Rep is offering an internship for an upper level college student or recent graduate interested in pursuing a career in theatrical or live entertainment lighting. This position works closely with the I.A.T.S.E stagehands in the hang, focus, maintenance, and strike of lighting and video equipment for productions in the Quadracci Powerhouse and Stiemke Studio. Depending on experience and interest responsibilities may extend to assisting in the construction of lighting practicals and working as the Assistant Master Electrician for Rep Lab.

Job duties include:

- Assisting Master Electrician in the hang, focus, maintenance, and strike of lighting plots
- May participate as follow spot operator for one production
- Additional duties as required

Preferred Qualification:

- Interest in theatre and/or live entertainment
- Experience with theatrical lighting equipment and systems
- Able to interpret and execute lighting plot
- Must be able to work with minimal supervision

Physical Demands:

- Must be able to perform physical activities such as, but not limited to lifting, bending, standing for long periods, brisk walking, and climbing ladders.
- Able to lift and carry 30 lbs without assistance
- Must be comfortable working at heights

To Apply:

Please send cover letter, resume and at least 3 professional references to:

Email: careers@milwaukeeep.com

Subject: Winter Lighting Intern Search
