**EDUCATION**

The Milwaukee Repertory Theater Teen Council Leadership Program is an organization for teens, by teens. Supported by the resources of The Rep, our Teen Council's student-driven opportunities have included: organizing fundraisers, engaging fellow councils from across the country, representing youth voice at national theater conferences, and advocating for the arts before members of the state legislature – all of which happens while learning how to collaborate and engage with one another.

This program is meant to develop:

- College Readiness
- Community Engagement & Volunteerism
- Theater Advocacy & Career Preparation

In addition to participating in events, members also enjoy learning about the administrative side of theater, including event planning, marketing and public relations, fundraising, and budgeting.
